Again And again Of course, no year-end list is complete without mention of the inescapable phenomenon of Pokemon Go, which has been downloaded more than 500 million times since its July debut.. And oh, were they plentiful this year Many of 2016's embarrassments came courtesy of tech's biggest companies, proving that nobody is too big to screw up.. Then there was the rare merger of tech and politics, as this year's race for the White House thrived on social media -- often for the worse.. m tweets about former beauty queens and sex tapes to Anthony Weiner's sexting scandal.. Even with its success, though, the game wasn't without its problems, from updates that ticked off players to fanatic gamers hunting for monsters at places like the US Holocaust Memorial Museum.. Or two It was a rough year in tech Editors' note: Another year, another round of embarrassing gaffes, flops and downright terrible behavior.. Getty Images, Twitter Composite image by CNETSecurity also helped serve up many turkeys, from the hack of the Democratic National Committee to Yahoo losing info associated with at least half a billion (yes, billion) personal accounts.

But then it roasted its customers, literally, when the much-anticipated Note 7 caught fire.. So without further ado, here's a superduper-size edition of the worst in tech in 2016, starting with the least embarrassing and escalating from there.. Join us for a look at the biggest Tech Turkeys of 2017 It's time to pay thanks for the bounty of turkeys bequeathed to us by the world of tech.. Between a massive online attack using our connected devices and the hack of an adult site, it was impossible to ignore.. Gobble, gobble!. The safety of our personal data -- last year's top turkey -- once again reared its head.
